

CHOOSE A MALTESE FACE FOR THE EURO

THE EURO WILL SOON BECOME MALTA'S CURRENCY. THIS IS YOUR OPPORTUNITY TO SELECT THE DESIGNS FOR THE MALTESE EURO COIN SET

The public consultation process held last January identified the themes to feature on the Maltese euro coin set.
The public is now being invited to choose the final designs by sending a blank SMS to the number attached to the preferred design.
Three SMS can be sent, but only one SMS per coin design will be considered.

The three designs that receive the highest number of votes will feature on the national side of the Maltese euro coins.

By participating you can win one of 20 free flights offered by Air Malta to any destination of your choice, or one of a number of mobile phones offered by Go Mobile. Those who vote by 1 June can win one of 20 tickets to the 'Sting Broken Music Tour' to be held on 6 June offered by NnG Promotions.
